Critchleys reach new heights - Extreme accountancy

Anthony Harris, Business Recovery and Insolvency Partner at Critchleys went on a trip to Morocco in June and achieved a life-long ambition.

Despite his only exercise usually being turning the on/off button on this computer, he still managed to climb Toukbal in the Atlas mountains 14,000 feet with his guide (not dog)!

It was a real struggle dealing with the altitude, blisters and sheer hard work (not just unfit Ed), but the sense of achievement when he reached the top was in his own words "*one of the most fantastic experiences I have ever encountered in the mountains*".
