

Business Recovery & Insolvency **Team sheet**

How can we help you?

It is never too early to call in, or seek advice from, our team of insolvency practitioners.

If your company or business is starting to run into difficulties, early advice can result in problems being avoided or resolved without resorting to liquidation, or having to stop trading.

We can also assist with Business Turnaround and Cashflow problems, Investigations and Monitoring, Corporate Voluntary Arrangements, Administrative Receiverships, Creditors' Meetings, Creditors' Voluntary & Members Voluntary Liquidations, Independent Review and assisting individuals with personal insolvency matters as a result of business failure.

Anthony Harris

aharris@critchleys.co.uk

Anthony Harris is a highly experienced and astute adviser who specialises in Business Recovery. He is a Chartered Certified Accountant and a member of the Association of Business Recovery Professionals.

Anthony has over 30 years experience in advisory work. He advises both businesses and individuals with varying degrees of financial difficulty, skillfully finding innovative solutions to complex problems. Anthony's significant expertise encompasses investigations, devising recovery strategies, and acting as a Liquidator, Receiver and Administrator where necessary.

As a registered auditor, he also maintains a portfolio of thriving audit clients, using his breadth of experience to give sound commercial advice and has built up a good knowledge of litigation support work. He has also advised corporate clients with challenges in their businesses including cash, profitability and funding issues. Additionally he advises clients on issues of 'Risk Management' within their businesses.

Anthony lives in the Cumnor, just outside Oxford with his wife and young son, and enjoys playing bridge with his local Witney team. He loves travelling, particularly to mountainous areas where he can get in some serious hill walking - he recently achieved a long-held ambition of climbing Mount Toukbal in the Atlas Mountains of North Africa. Anthony is a keen supporter of Gloucester Rugby Club, whose progress he follows closely.

Sue Roscoe

sroscoe@critchleys.co.uk

Sue Roscoe is a highly skilled recovery and insolvency professional. She is a chartered certified accountant, a licensed insolvency practitioner, and a member of the Association of Business Recovery Professionals. Sue has over 22 years' experience in recovery and insolvency, and draws on her broad expertise to advise both companies and individuals on the best solutions to their financial difficulties.

She also acts as a Liquidator in cases of both solvent and insolvent liquidations. On the personal side, Sue is experienced in acting as a Trustee in Bankruptcy, and as a supervisor of Individual Voluntary Arrangements (IVAs).

Sue is married, and she and her husband Steve have two children. Sue enjoys walking, swimming and reading. She describes herself as a "dive widow", as Steve is always off looking for another wreck!

Lawrence King

lking@critchleys.co.uk

Lawrence King is a Licensed Insolvency Practitioner and member of the Association of Business Recovery Professionals. Over the last 6 years Lawrence has provided advice to directors, debtors and creditors alike with an emphasis on turnaround where possible. Inevitably a formal insolvency procedure is sometimes necessary and he has taken a number of appointments including acting as Liquidator and Trustee in Bankruptcy.

With a background in investigative recovery work, he may on occasion obtain recoveries for the benefit of creditors when on first appearance there appear to be no apparent assets within the relevant insolvent party's estate.

Lawrence lives in the local area and in his spare time enjoys running, following the ups and downs of Reading Football Club, cookery and exploring Eastern Europe's many great cities and history.

Andy Lloyd

alloyd@critchleys.co.uk

Andy Lloyd is a highly knowledgeable recovery and insolvency professional. Andy is a member of ACCA and has over 20 years' experience in the insolvency profession.

Andy manages a varied portfolio of cases, including bankruptcies and liquidations. Andy is also an IT specialist which is a skill he uses in investigative work tracking down debtors, directors and assets.

Andy lives in Bicester and spends his free time trekking through the English, Welsh and occasionally Scottish countryside.
